Hey GLACURH!

As we say goodbye to the 2018-2019 year, the Regional Board of Directors wants to extend our sincerest thank you for all your engagement and care for GLACURH this year. We come together a few times a year to express our love for this shared vision of residential student leadership, and continuing to develop ourselves and those around us. And being able to spend that time with all of you is the best part of what we do on the RBD. Without you all - these positions and this organization would be meaningless.

We've continued to explore what it means for GLACURH to be a celebration, or a pack of polar bears. We take time to embrace each moment in GLACURH through snaps, awards, and delving deeper into conversation rather than agreeing with the majority. We face the areas we must continue to grow to make GLACURH a place all people can truly call home, free of the barriers that circumstance and society have built. And we continue to do the work on each of our campuses to keep connecting back to the goal of engaging, motivating, and empowering students across Michigan, Ontario, Wisconsin, Illinois, and Indiana.

Read this report for the opportunity to time travel through our past year together. It's a comprehensive look at who GLACURH was. A guide for where GLACURH can go. And a directory for all the student leaders who have gone above and beyond, climbed mountains, and pulled us all up with them. We're happy we were able to reflect as we built this report on the progress we've made, and the ground left to cover by next year's RBD.

GLACURH - thank you for everything you have done this year. Every "like" on Facebook, every program presented, every placard, every smile, and every conversation is so valuable to our organization. Whether this was your first year with us, or your fourth, we hope to continue to see you engage with our celebration. Have a fantastic summer, and again, thank you for the honor of allowing us to serve as your 2019-2020 Regional Board of Directors.

Peace, love, polar bears,

Cassie Govert, Regional Director, on behalf of the GLACURH RBD

# HISTORY OF THE REGION

The Great Lakes Affiliate of College and University Residence Halls is a student run organization working to promote and improve student life on college and university campuses across the region, including Michigan, Ontario, Wisconsin, Illinois, and Indiana. GLACURH's primary focus is to provide educational and developmental experiences for residential student leaders to empower them in their journeys. GLACURH was formed in 1968 as part of the Midwest region at the 1968 MACURH Conference. The states and province now within GLACURH grew large in affiliation and seceded from MACURH to form their own region.

GLACURH is an organization that provides services on behalf of NACURH, Inc. that are tailored to the needs and culture of the Great Lakes region. As a regional affiliate of NACURH, GLACURH facilitates connections between institutions in the Great Lakes region to build student relationships. GLACURH provides member schools with resources for the exchange of information to improve their campus climate and develop strong leaders at their respective institutions. GLACURH achieves this aim through virtual resources like Zoom chats, guides, and newsletters, and most prominently through two regional conferences. Regional conferences allow students time to grow as leaders and individuals through educational sessions and networking with member schools. GLACURH also helps schools generate initiatives at their respective colleges and universities through educational sessions presented by students in the region. Through a motivational and inspirational display of school spirit and a commitment to benefiting on-campus students, regional conferences encompass the true essence of the organization.

GLACURH recognizes that the students comprising the membership of our organization are of different abilities, races, ethnicities, sexual orientations, religions, ages, genders, personal beliefs, and political affiliations. As such, GLACURH strives to be a truly representative body of a truly multicultural population and is committed to promoting an atmosphere conducive to embracing and celebrating individual differences and lifestyles. We accept the responsibility to act aggressively and proactively toward educating our membership. We strongly encourage schools to build conference delegations representative and inclusive of the diversity of the people of their individual campuses. Ultimately, we strive for an understanding, appreciation, and celebration of diversity.

Recent landmarks in GLACURH's history include:

- Ronald McDonald House Charities was chosen as the regional philanthropy for GLACURH in 2015, and will continue as the regional philanthropy through 2020
- Hosted NACURH's first neutral host site conference in 2016 at the Hilton Milwaukee
- GLACURH's first strategic plan was developed in 2015-2016 and provided guidance and consistent goal-setting from 2016-2019
- GLACURH's first one year strategic platform was developed in 2018, and focused regional practices around recruitment, engagement, assessment, social justice and inclusion, and the regional philanthropy

### *Goals at Beginning of Term*

- Assess the status of NRHH within GLACURH
- Offer unique Diamond Chat opportunities
- Create Education Guides for chapter use

### *Accomplishments*

- Utilized RBC 19 NRHH boardroom time to have intentional conversations on the status of NRHH chapters. During discussion, we connected on issues

and strengths that chapters are facing. Ideally with this feedback and understanding, we will be able to make more purposeful changes for NRHH within GLACURH and NACURH while better advocating for our chapters.

- Although limited attended, we did provide opportunities for our NRHH chapters to connect and discuss a variety of different topics including Service, Recognition and Leadership transition. Although these chats serve a purpose, they became more natural discussions and allowed for creative brainstorming.
- With the information collected from the RBC 19 NRHH Boardroom assessment, I've been able to start and work on education presentations for chapters to use. This task will likely be distributed at NACURH 2019.

# NEW REGIONAL INITIATIVES

## ENGAGEMENT

This year, the Regional Board of Directors strove to continue building and supporting engagement and excitement for the region. Within this goal, the Board has focused on cultivating engagement via social media, conferences, and the Board. With respect to social media, our goal was to implement interactive content, inviting the region to interact with one another and the Board. With respect to conferences, our goal was to assess engagement outside of conferences, increase approachability and familiarity with the Board, and promote accessibility to GLACURH-U educational sessions. With respect to the Board, our goal was to continue writing and signing cards for advisors and CCs, promote accessibility to Board members by communicating our availability and the best times to reach us, and serving as guest speakers to members who were interested.

**AREAS OF SUCCESS** | The region's social media platforms have continued to grow in quantity and quality. Polls and questions on Instagram Stories often return an abundance of responses. With respect to conferences, sharing posts on the region's accounts have encouraged additional engagement and interaction from others. Further, each member of the Board has proactively connected with advisors, CCs, and delegates at conferences to foster engagement between the Board and members.

**AREAS OF GROWTH** | The Board can continue to improve membership engagement outside of conferences by assessing the needs of the region. Additionally, we can be more consistent and specific in encouraging engagement and interactions via campaigns, challenges, and opportunities such as a virtual business meeting in between conferences.

## RECRUITMENT

This year the Board wanted to make sure we focused on recruitment. We wanted to increase recruitment leading up to conferences, awareness of what GLACURH provides, and bidding. We made goals to reach out to at least three institutions for each conference for bidding. We wanted to make a comprehensive checklist for conference bidding so students can bring the information to their institutions and know what is expected of them. We also wanted to be able to inform institutions of the direct benefits of hosting conference. We made a priority to reach out to new institutions and we wanted to make sure that we were able to measure the satisfaction of our member schools.

**AREAS OF SUCCESS** | This year we succeeded in reaching out to at last three schools a year for each conference. We surpassed that goal and made sure to tell institutions the benefits that come with hosting a conference as well. We also were able to communicate with our representatives to connect with them to find out what the board could do to help them have a better experience.

**AREAS OF GROWTH** | An area of growth would be making the micro videos to inform more of our institutions. Another area of improvement would be to conduct more formal, instead of informal, assessments of satisfaction. We did mostly checks in person at conferences and at chats. Continuing to have that data could be helpful in the future.

## ASSESSMENT

This year, the Regional Board of Directors focused on evaluating our assessment practices, in regards to access through JotForm and presentation of materials on the regional website. During conferences, the board also assessed progress and regional needs throughout the entire weekend, rather than providing a lengthy survey all at once. In addition, intentions were placed on utilizing new innovative software for collection/assessing regional members, along with capitalizing on peak times for assessment collection.

**AREAS OF SUCCESS** | As a region we began to see success in reference to use with new and innovative software use in reference to regional members, along with continuation of JotForm. We found that institutions appreciated the access we provided to information on our website.

**AREAS OF GROWTH** | We can continue to grow and learn what works best for our region and provide intentionality behind our assessments. While we assessed throughout RBC, we can continue to use this information to better support our policies and practices. Following the assessments, we can promote this information better through regional website rollouts and social media interaction from institutions, along with incentivizing assessment completion through Polar Points.

## SOCIAL JUSTICE & INCLUSION

This year, the Regional Board of Directors wanted to be very intentional about educating ourselves and others on topics centered around Social Justice and Inclusion. We have been able to offer a task force centered around this topic specifically. The task force was able to have conversations on the state the region is in so we can assess where GLACURH can go. We, as the RBD, wanted to offer education sessions throughout the year to offer opportunities for growth and development.

**AREAS OF SUCCESS** | We have been successful in offering opportunities of development. We had an education session centered on Social Justice and Inclusion in Boardroom at both the Regional Business Conference and Regional Leadership Conference. We have offered educational sessions at the retreats. At the Fall Retreat, we did training on the Culturally Engaging Campus Environments (CECE) model specifically around culture. At the Winter Retreat, we did 'Beads of Privilege' activity that centered around educating about the different privileges that we may hold. At the Spring Transition Retreat, we learned about the CECE model and how it relates to identity. We have also offered GLACURH-U Sessions that centered around Social Justice and Inclusion.

**AREAS OF GROWTH** | When it comes to Social Justice and Inclusion, the conversation should always be a continual process. We, as the Regional Board of Directors, we should always be looking for new opportunities for Social Justice and Inclusion education. Potentially, looking into having more content experts come into conferences or retreats and speak on these conversations.

## REGIONAL PHILANTHROPY

This year, the Regional Board of Directors have collaborated on an involvement plan to report on previous involvements with the Ronald McDonald House and to plan future involvements with the charity. To report previous involvements with Ronald McDonald House, the Regional Board of

Director has reported the region's financial contributions to the charity, if the Regional Board of Directors visited Ronald McDonald House, and if there were any outstanding interactions with Ronald McDonald House such as the charity being a conference philanthropy for a regional conference. For future involvements, items such as future financial contributions and visits to different regional branches of the Ronald McDonald House Charities have been discussed. In the fall of 2018, the Regional Board of Directors offered a Philanthropic Practices task force to act as a focus group where sentiments from regional members from Ronald McDonald House could be gathered and used to inform future decisions surrounding the regional philanthropy. In addition to this plan, the Associate Director for NRHH and the Coordinating Officer for Recognition and Service have facilitated GLACURH-U educational sessions at both the Regional Leadership Conference and the Regional Business Conference to educate regional members on Ronald McDonald House Charities and ways that their campuses can become involved with the regional philanthropy. The Coordinating Officer for Recognition and Service has also facilitated sessions in and out of boardroom to offer additional educational opportunities for regional members to learn about the Ronald McDonald House Charities.

**AREAS OF SUCCESS** | Both the philanthropy sessions at the Regional Leadership Conference and the Regional Business Conference were well-attended. The Philanthropic Practices task force also had engagement from a small variety regional members and gave the Regional Board of Directors insight into how different regional members viewed the role of the regional philanthropy within GLACURH.

**AREAS OF GROWTH** | It is still difficult to convince institutions that they should partner with the regional philanthropy, Ronald McDonald House Charities, when there are perhaps more prevalent charities in the institution's community or when there is not a Ronald McDonald House near their campus. Currently, the region offers a philanthropy pin, which has not been updated since 2017 and is not selling as well as other pins. This impacts the financial contributions that the Regional Board of Directors is able to make to Ronald McDonald House Charities. Overall, whether the region should renew having a regional philanthropy at all is also a continuing conversation.

# CURRENT DEBATES & DISCUSSIONS

---

## BID INTENT FOLLOW THROUGH

An overarching theme amongst our region is the intention to bid, however the lack of completion of these bids. While our region puts forward strong bids overall when they are submitted, we can continue to encourage affiliated institutions to be a part of process more often. With new bidding materials provided to institutions, and multiple follow up emails sent, it does not always appear that there is one specific way that our region will provide more bids, however, with the continuation of emailing and intentional connections, the region will continue to grow with bid submissions. We find that many institutions run out of time to submit bids, or that they do not fully understand the magnitude of bidding, and this can continue to be counteracted through bid chats and bid guides. While many institutions do not attend bid chats, the individuals that do tend to have stronger bids and are more prepared for bidding, which provides solace for future work. We can continue to personally email institutions and individuals who have submitted bids for the region, in order to submit to NACURH, and to encourage regional bid submissions, too. We noticed that as a second round of emails were sent right before NACURH bids were due, we had many institutions take part in bidding, and would encourage this to continue moving forward.

## NACURH CONNECTION TRANSITION

In 2016, NACURH acquired Canto Flight, an online system that can be used to store files, to replace the Resource File Index (RFI) system. The RFI had been defunct for a couple years, with multiple hacking and user issues prior to NACURH no longer using it. NACURH's acquisition of a Canto Flight system was titled the NACURH Connection, a platform for all affiliation reports, regional resources, webinars, and more to be stored for entire corporation. While the NACURH Connection was developed in 2016, regions still had not transferred resources over to the platform or bought into using the NACURH Connection until this affiliation year. As NACURH and specific regions within the corporation experience a decline in affiliations, the entire organization is faced with a difficult choice around how to share our resources only with the institutions that are paying to receive those resources, rather than allowing them to be freely accessed on regional and NACURH websites.

GLACURH has not experienced a decrease in overall affiliation numbers this year. However, the Great Lakes decided to tackle the issue of transitioning to the NACURH Connection to ensure regional practices were fair to the member schools who consistently pay to participate in conferences, access regional resources, and use other NACURH services. And while the Great Lakes has transitioned over nearly all of the resources previously housed on the regional website, and under-utilized for how lost they've become through pages and tabs, the discussion about increasing access to the NACURH Connection still exists. What is enough resources to pique interest of institutions without allowing them free access to the resources that other institutions pay to receive? How do we develop interest and comfortability with using the NACURH Connection to maintain

buy-in from our member schools? And are those resources what keeps our members coming back every year, or are there other areas we should focus on to continue bringing in more members of our celebration?

Overall - the conversation about the NACURH Connection and restricting access to information creates an uncomfortable confrontation of NACURH the business versus NACURH the student organization. Many student leaders don't like having to understand the corporate aspects of NACURH that necessitate the organization making difficult decisions from a business lens. However, to guarantee the existence of the organization at all, it's pertinent that NACURH and the Great Lakes continue exploring the best ways to promote the resources we're paying a pretty penny for.

## OPPORTUNITIES FOR SMALLER INSTITUTIONS

One topic that our region began to really explore this year was how to create opportunities for smaller institutions to feel engaged not only with the region, but also with the RBD. In attending conferences, some of these smaller institutions may not have the funds to support a delegation. By continuing the scholarships for regional conferences, we have been able to have student leaders in attendance and represent their institutions. We were also interested in how to provide "hosting" opportunities to member schools who are too small to host a regional conference. After being hosted by St. Xavier University for the RBD winter retreat, legislation was brought to the Virtual Conference to put an application practice into policy for these retreats. The hope is that this will allow smaller schools to feel that they have opportunities to host and connect with the RBD. Since this is new, we would encourage additional advertisement for this process. The value our smaller institutions add to the region is incredibly important and we hope that a continued effort is made in trying to create equal opportunities for them.

## COMPETENCIES & KNOWLEDGE-GROUNDED PRACTICES

A theme from the NACURH-level that has been making its way to the regional level is designing our practices, both current and those that we are considering implementing, with well-researched and well-supported information. This information can come from a variety of sources, whether it is results from a regional/NACURH-level survey or if it is from leading outside research. At both the regional and NACURH-levels, it is possible for a policy or a practice to be implemented in one year and then for the exact same policy or practice to either be amended or overturned within one or two affiliation years. GLACURH, by using well-informed decision making, aims to reduce repetitive pieces of legislation and free up time in boardroom for more constructive activities for CCs to engage in.

# ADVANCEMENT SOCIETY INDUCTEES

GLACURH annually sponsors four inductees for the NACURH Advancement Society at the gold level. These individuals are selected at the Regional Business Conference by the Communications Coordinators. The process for selecting the inductees is as follows: nominations are gathered by CCs present in the boardroom, each nominee gets a 60 second proponent speech, all nominees are discussed, and the field is gradually narrowed until there is a clear top four inductees.

## Hey GLACURH!

Hey GLACURH!

Welcome to the 2018-2019 NACURH New Year. It was fantastic to see many of you at Arizona State University-Tempe last week, and our incoming RBD is ready to get started with you all. As we're preparing our services and plans for the next year, stay tuned!

To improve our regional mailing list process, please share [this link](#) with your campus if they'd like to receive regional communication. After filling out this form, they will be added to the mailing list within two weeks. We're excited to be launching this new method for getting your campus connected!

Our Coordinating Officer for Marketing position is OPEN! Check out the timeline below to get ready for applying. Questions? Want to discuss the position? Email me at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org)!

Finally - who's ready to host a conference? We were so inspired by the number of schools interested in potentially hosting a Regional Leadership Conference. We want to make that dream a reality for you. If you haven't started asking your campus about hosting the Regional Leadership Conference - do so now. If you've got potential concerns or want to talk through your ideas - reach out to me now. We are ready for you to host - we just need you to take that first step.

That's all, GLACURH! Enjoy the summer and recharge. We'll see you Friday with the CO for Marketing application release!

Peace, love, polar bears,

Cassie Govert

Leadership Opportunities | June 13, 2018

[View this email in your browser](#)

Hey GLACURH!

We were so excited about these leadership opportunities that we couldn't wait until next Monday to dish them out. Whether you're ready to apply for the CO for Marketing position, interested in reading OTMs from across the region, or thinking about hosting a regional conference - we've got something for you!

You all are what makes our region continue to provide awesome experiences in student leadership to the Michigan, Ontario, Wisconsin, Illinois, and Indiana. Your heart, savvy, and dedication to your organizations continuously makes me proud and revitalizes our organization. Consider dedicating some of your time to a regional involvement to help GLACURH grow even more.

Most importantly - if you're ever interested in a position or hosting a conference, but intimidated by potentially taking on that responsibility (we've all been there - trust me!), reach out. Our RBD is here to provide you all support and guidance in the position and conference process. More than anything we want to see your goals come to life, and we will provide everything we can to make that happen.

Peace, love, polar bears,

A handwritten signature in black ink that reads "Cassie Govert".

We're looking for phenomenal conference hosts - and we believe that is your campus and your team of student leaders. Now is the time to begin planning for bidding to host Regional Leadership Conference 2019 and we're here to help!

Interested? Start taking these steps **now**.

1. Talk to your advisor and campus residence life office about your school's ability to host - you must get host school support to move forward with bidding
2. Email Cassie Govert, the Regional Director, at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) and Christina Aichele, the NACURH Conference Resource Consultant, at [crc@nacurh.org](mailto:crc@nacurh.org) to start getting assistance from GLACURH and NACURH in the bidding process. We can offer guidance on obtaining host school support, navigating space issues, and making recommendations for consideration when creating your bid
3. Gather campus student leaders and advisors to start creating your bid team. You can't do this alone - having a strong team is a vital to making a good bid and relying on a strong foundation as you put together your conference
4. Look at your surrounding hotel space and facilities for programs, mass gatherings, and boardroom to make sure you can find adequate space. These facilities don't have to be on campus, but every facilities rental must be incorporated into the budget

If you're interested in hosting a Regional Leadership Conference, see GLACURH's regional conference requirements and fill out our interest form [here](#).

Please direct questions about conference hosting to Cassie, the Regional Director at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org). We will get you connected with the resources you need to host!

campus leaders on the regional level? Well you've come to the right place! One of the best ways to serve the region and to recognize campus leaders is to be a member of the GLACURH OTM selection committee. Members of this committee will have the unique opportunity to help me select the regional OTM winners on a monthly basis, which will then go on represent the region on the NACURH level. Don't think you have enough time? You can judge and vote on as many or as few OTM categories as you want.

What are you expected to do?

- Know the OTM category descriptions, or have access to them
- Vote in an unbiased fashion
- Be able to vote between the 11th - 15th of every month
- Have an OTM database account, or be able to make one

Requirements to serve on the committee:

- Be a member of NRHH or RHA, this includes advisors
- Serve until June 2019

Please fill [this application](#) out by June 30th if you would like to start voting on OTMs right away. Applications will remain open and I will be accepting people on a rolling basis until October 1st.

If you have any questions, comments, or concerns please do not hesitate to reach out to me at [gl\\_adnrhh@nacurh.org](mailto:gl_adnrhh@nacurh.org),

MOWII Monday | June 18, 2018

[View this email in your browser](#)

Hey GLACURH!

Sorry for our MOWII Monday delay! As some of you may be affected - there have been some pretty wicked storms working their way through our region. That knocked out the Wifi access and made sending the MOWII Monday a little tricky.

Speaking of the storms - stay safe, GLACURH! Our thoughts are extended to the individuals affected by the flooding and other damage storms have been causing across the region. Stay informed about the weather in your area and make sure to follow safety guidelines. Find a great guide [here](#) for compiling an emergency kit, which is a useful resource to have handy in the event of any emergency.

Today is Juneteenth, a day which remembers June 19, 1865, when slaves in Texas learned of their freedom through the Emancipation Proclamation, which was signed two years earlier. Nearly 200,000 people were still enslaved in Texas before the news of the Emancipation Proclamation was delivered. Juneteenth is also known as Freedom Day or Emancipation Day. And while it's acknowledged that racism still exists in the fabric of the United States - economically, socially, in legislation, and beyond, Juneteenth serves as a reminder of history and celebration of the end of slavery in the U.S. Read more about Juneteenth and its relevance and ties to current events [here](#).

In GLACURH news - check out information on the OTM selection committee, the CO for Marketing application, and the conference hosting interest form! As always, reach out if you have any questions or concerns!

Peace, love, polar bears,

Cassie Govert  
Great Lakes Regional Director

We're looking for phenomenal conference hosts - and we believe that is your campus and your team of student leaders. Now is the time to begin planning for bidding to host Regional Leadership Conference 2019 and we're here to help!

Interested? Start taking these steps [now](#).

1. Talk to your advisor and campus residence life office about your school's ability to host - you must get host school support to move forward with bidding
2. Email Cassie Govert, the Regional Director, at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) and Christina Aichele, the NACURH Conference Resource Consultant, at [crc@nacurh.org](mailto:crc@nacurh.org) to start getting assistance from GLACURH and NACURH in the bidding process. We can offer guidance on obtaining host school support, navigating space issues, and making recommendations for consideration when creating your bid
3. Gather campus student leaders and advisors to start creating your bid team. You can't do this alone - having a strong team is a vital to making a good bid and relying on a strong foundation as you put together your conference
4. Look at your surrounding hotel space and facilities for programs, mass gatherings, and boardroom to make sure you can find adequate space. These facilities don't have to be on campus, but every facilities rental must be incorporated into the budget

Please direct questions about conference hosting to Cassie, the Regional Director at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org). We will get you connected with the resources you need to host!

Hey GLACURH!

Wow, summer is flying by, right? The Great Lakes have gotten a little warmer (and definitely more humid), but your Regional Board of Directors has never been cooler! While participating in the annual NACURH Summer Leadership Cup, your RBD put together a lip sync music video about self-acceptance. Find the link to our Facebook video below!

Create a home for the celebration - host a regional conference. We want to talk with your institution about what it's like to host a conference. Remember the feelings a conference gives, the fun, the bids, the education, the friendship, and all the other wonderful memories that come with it. We want you to be able to provide that experience to the Great Lakes. Fill out the interest form below to hear from Regional Director Cassie Govert.

In other -CURH-related news, the NACURH OTM Selection Committee is officially accepting applications! Find more information from the NACURH Associate for NRHH, Becky VanWycken, below.

The rolling application for the GLACURH OTM Selection Committee is open until October, so please take a moment to consider joining! Find more information below, and email Associate Director for NRHH Allison Gibson at [gl\\_adnrhh@nacurh.org](mailto:gl_adnrhh@nacurh.org) with your questions.

That's all, GLACURH! Please reach out if you need anything at all!

Peace, love, polar bears,

Cassie Govert

Please see the attached memo for further detail and information regarding the selection process.

We're looking for phenomenal conference hosts - and we believe that is your campus and your team of student leaders. Now is the time to begin planning for bidding to host Regional Leadership Conference 2019 and we're here to help!

Interested? Start taking these steps [now](#).

1. Talk to your advisor and campus residence life office about your school's ability to host - you must get host school support to move forward with bidding
2. Email Cassie Govert, the Regional Director, at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) and Christina Aichele, the NACURH Conference Resource Consultant, at [crc@nacurh.org](mailto:crc@nacurh.org) to start getting assistance from GLACURH and NACURH in the bidding process. We can offer guidance on obtaining host school support, navigating space issues, and making recommendations for consideration when creating your bid
3. Gather campus student leaders and advisors to start creating your bid team. You can't do this alone - having a strong team is a vital to making a good bid and relying on a strong foundation as you put together your conference
4. Look at your surrounding hotel space and facilities for programs, mass gatherings, and boardroom to make sure you can find adequate space. These facilities don't have to be on campus, but every facilities rental must be incorporated into the budget

If you're interested in hosting a Regional Leadership Conference, see GLACURH's regional conference requirements and fill out our interest form [here](#).

Please direct questions about conference hosting to Cassie, the Regional Director at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org). We will get you connected with the resources you need to host!

Hey GLACURH!

We sincerely hope you're settling into classes and getting into the semester swing. Personally, our RBD is super excited about all the great opportunities we're sending your way for the semester.

The moment you've all been waiting for - the Regional Leadership Conference website is officially ready to go! Check it out at [www.glacurhrlc.com](http://www.glacurhrlc.com) and keep checking in for more updates. Registration opens this Friday, and we're looking forward to providing you all with the finalized delegate costs before then.

Speaking of the Regional Leadership Conference, get ready to set sail by putting in a bid intent! There are plenty of great award categories (and a conference too!) available. We want you, the fantastic programs you're doing at your institution, and the wonderful people making them work, to receive the recognition you deserve. Find more info on the timeline and the link below!

While we're pumped to see your bids and your delegations at Regional Leadership Conference 2018 - we first need to see your institution's affiliation! Remember to get your school affiliated no later than two weeks before the Regional Leadership Conference. But really, the earlier, the better! Have some questions about affiliating? Reach out to Coordinating Officer for Relations & Inclusion Nicole Pacewic ([gl\\_relations@nacurh.org](mailto:gl_relations@nacurh.org)). Find a link to the affiliation website and more details below.

Have you ever been at a conference, seeing all the great pins people have, and wondering how you could make your own? Your RHA and NRHH can make all the pins your hearts desire for 25% off! NACURH has a partnership with Pin Pros Plus, the magic behind the little enamel joys you find at conferences, that lets you get in on the pin creation fun. Check out the memo below for more details.

Alrighty, GLACURH. We're signing off for now, but make sure you check out all of our updates below! I hope you're having a wonderful beginning to your semester, and I can't wait to see you all around our regional opportunities. Don't hesitate to reach out if you need anything!

Peace, love, polar bears,

Cassie Govert  
Great Lakes Regional Director

MOWII Monday | September 17, 2018

[View this email in your browser](#)

Hey GLACURH!

First and foremost - Happy Hispanic Heritage Month! From September 15 to October 15, Hispanic Heritage Month focuses on celebrating the culture, history, and influential Hispanic/Latinx individuals. Every MOWII Monday until October 15 we'll be featuring a person who is Hispanic/Latinx and made a major impact in Michigan, Ontario, Wisconsin, Illinois, or Indiana. Be on the lookout for those! This week, we start with Julian Samora, whose work has influenced Mexican-American studies and Latinx students for generations.

Lots of updates are in your future. We're excited to be bringing you a plethora of opportunities, in the realm of Regional Leadership Conference and beyond! Key things to look for in this MOWII Monday:

- Bid intents! Only 11 days left to submit bid intents.
- Walk through videos for Regional Leadership Conference registration and program submissions
- Open position alert! We're looking for an Advisor Resource Training (ART) Coordinator
- Affiliation - make sure your institution is getting affiliated no later than 2 weeks before RLC
- Calling all Diamonds! The year's first Diamond Chat is next Monday.
- #NoMoreNeutralHostSites - check out our regional conference interest link to make your hosting dream come true

That's all, celebration. Enjoy these last few days with summery temperatures (if you're into those high temps), or celebrate that it'll soon be fall! Give me an email at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) with any questions/comments/concerns/hopes/fears/dreams/anything!

Peace, love, polar bears,

# JULIAN SAMORA

*Teacher | Community Activist | Scholar | Influencer*

Julian Samora (1920-1996) was a renowned Mexican American scholar, and was the first Mexican American person to receive a doctorate in sociology. Samora's work spanned across the U.S., but he spent 26 years of his career working at the University of Notre Dame in Indiana. At Notre Dame, Samora contributed to a number of projects for the betterment of Latinx individuals, including a legal defense fund, voter registration project, establishing a Mexican American graduate studies program, and serving as a mentor to Latinx students.

Samora also focused on advocating for labor and immigration rights throughout the Midwest. Michigan State University also has a research institute in Samora's name, and Notre Dame dedicated their Latino Studies program chair in Samora's name.

Notre Dame also established the Julian Samora Library at the Institute for Latino Studies, which seeks to preserve culture, manuscripts, and documents that center the Latinx experience, a highlight of the work Samora sought to do.

Along with his long list of publications, Samora was also recognized for his incredible contributions with the White House Hispanic Heritage Award in 1985, and, alongside activist and organizer César Chávez, received the Aguila Azteca Medal in 1990 from Mexico.

# GLACURH DIAMOND CHAT MONDAY SEPTEMBER 24TH

9PM EDT/8PM CDT

Hey GLACURH Diamonds!

Gear up for this year's first Diamond Chat of the year! Open to all NRHH members (or potential NRHH members!), Diamond Chats are a great resource for getting to know NRHH members, presidents, Communications Coordinators, and leaders from across the Great Lakes.

Join us next Monday, 9pm EDT/8pm CDT, on Zoom! Find the agenda with a Zoom video conference link [here](#).

Diamond love,

Allison Gibson, ADNRRH

We're looking for phenomenal conference hosts - and we believe that is your campus and your team of student leaders. Now is the time to begin planning for bidding to host Regional Leadership Conference 2019 and we're here to help! Never forget - #NoMoreNeutralHostSites!

Interested? Start taking these steps **now**.

1. Talk to your advisor and campus residence life office about your school's ability to host - you must get host school support to move forward with bidding
2. Email Cassie Govert, the Regional Director, at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) and Christina Aichele, the NACURH Conference Resource Consultant, at [crc@nacurh.org](mailto:crc@nacurh.org) to start getting assistance from GLACURH and NACURH in the bidding process. We can offer guidance on obtaining host school support, navigating space issues, and making recommendations for consideration when creating your bid
3. Gather campus student leaders and advisors to start creating your bid team. You can't do this alone - having a strong team is a vital to making a good bid and relying on a strong foundation as you put together your conference
4. Look at your surrounding hotel space and facilities for programs, mass gatherings, and boardroom to make sure you can find adequate space. These facilities don't have to be on campus, but every facilities rental must be incorporated into the budget

If you're interested in hosting a Regional Leadership Conference, see GLACURH's regional conference requirements and fill out our interest form [here](#).

Please direct questions about conference hosting to Cassie, the Regional Director at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org). We will get you connected with the resources you need to host!

Hey GLACURH!

Find all of the great opportunities we have to offer below! Two important deadlines are coming at you this Friday: bid intents and the conference scholarship application are due. Don't forget to get those in before it's too late!

Regional Leadership Conference registration at the regular rate closes in just under two weeks, GLACURH! Get those registrations going before the late fees occur. Check out video updates on registration and programming from our conference staff below.

Cassie Govert  
Great Lakes Regional Director

# MARIANA RODRIGUEZ

*Leader | Community Advocate | Seeker of Justice*

Mariana Rodriguez began the first bilingual sexual assault and domestic violence resource shelter in Milwaukee. UMOs Latina Resource Center is recognized as the first center in Wisconsin to include both domestic violence and human trafficking resources that is bilingual and bicultural. For over 10 years, Mariana has worked in the realm of advocacy around issues of sexual assault, domestic violence, human trafficking and other abuse.

UMOS Latina Resource Center had 75 women come to receive services in its first year. That number has grown to over 570 women and girls coming to UMOs to receive services every year.

Along with serving individuals that seek resources, emotional support, and safety planning, UMOs Latina Resource Center also helps more than 250 families in the legal system as victim advocates, seeking to ensure perpetrators are held responsible and victims receive justice.

Rodriguez's work in the community has inspired other women who have found UMOs Latina Resource Center and been moved to initiate their own work. Benoni Martinez, a sexual assault survivor who discovered UMOs and found a safe place in their services, now works as an advocate at UMOs and published a book about her experiences.

Rodriguez has been locally and nationally recognized for her work in establishing transformative bilingual community resources for survivors of sexual assault, domestic violence, and human trafficking. In 2013, she received a 2012 Community Leader Award from then-FBI Director Robert Mueller (featured in the photo above) for her incredible work, growing UMOs Latina Resource Center from a staff of 2 to a staff of 11 with a budget of \$700,000 in 12 years. Rodriguez also received the 2014 Voices of Courage Award, presented by the Wisconsin Coalition Against Sexual Assault.

# TOM LONGBOAT

*Athlete | Record Breaker | Standard Setter | Wildfire*

Tom Longboat (1887-1949) was born into the Six Nations Reserve in Southern Ontario. Longboat ran his first race in 1905, at 18 years old, in Ontario where he placed second and began his long career of competitive training and being known worldwide. Just two years later, in 1907, Longboat won the Boston Marathon. The Boston Marathon was the world's biggest running event at the time, bringing in over 100,000 spectators. Longboat beat his closest competitor by nearly 5 minutes - even with a snowy, uphill path.

Throughout his career, Longboat was called a slew of racial slurs, his accomplishments were downgraded as "lucky", or credit was given solely to his trainers. Longboat was the brainchild behind his training technique - alternating days of intense training with days of low to no training - which is now a widespread technique. Longboat lost just three races throughout his long distance running career.

Longboat stopped racing in 1926 to volunteer the Canadian forces in World War I, where he was reported dead and injured multiple times. After retiring from the military, Longboat returned to South Ontario where he died from pneumonia in 1949. Longboat is still regarded as Canada's greatest long distance running athlete, and holds a place in the Canada Sports Hall of Fame.

Hey GLACURH!

Wow, can you believe it's already finals season? Take a study break and check out some Great Lakes updates below.

We want to reiterate the dates of Regional Business Conference 2019. RBC will be held **March 15-17, 2019**. These dates are **different than in the initial bid**, to avoid holding our conference during NASPA and TPE, two major student affairs conferences that may provide barriers to advisors participating in RBC. Please make sure you're planning for **March 15-17, 2019**, and referencing the conference page of our website rather than the RBC bid. Thank you!

This week's GLACURH Celebrates is all about Hanukkah! Happy Hanukkah to those that celebrate, and check out a feature on what Hanukkah is and how it's celebrated.

Experience the fun of RLC all over again by checking out the recap video from the conference staff. Once you view that, don't forget to fill out your conference evaluation! The feedback we receive from your evaluation helps us improve conferences in the future and keep GLACURH moving forward. Evals are due December 10 - so get them in before it's too late!

...and when one conference ends, another is about to begin! We're looking for a Regional Business Conference 2020 host. Check out our regional conference hosting interest form to get connected with conference hosting resources.

Speaking of evaluations - we want to hear your feedback on our Regional Board of Directors! Check out an opportunity to fill out an evaluation for a member of the RBD below.

Thanks, celebration! As always, reach out to [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) with any and all questions you may have. Conference questions? RLC Chair Dan Hill is here for you at [gl\\_conf@nacurh.org](mailto:gl_conf@nacurh.org)! Have a great week, GLACURH!

# GLACURH CELEBRATES

## HAPPY HANUKKAH!

### What does Hanukkah celebrate?

After a small band of Jews was able to defeat a powerful army to reclaim the Holy Temple in Jerusalem, they wanted to light the Temple's Menorah. After the battle, only one container of purified olive oil survived. This container of olive oil was able to light the Menorah for 8 days, until more olive oil was able to be put through a purity ritual. Hanukkah was instituted as a celebration and commemoration of these miracles.

### What are other names for Hanukkah?

- Festival of Lights
- Chanukah
- Festival of Dedication

### How is Hanukkah celebrated?

One of the more central parts of celebrating Hanukkah is the lighting of the Menorah. The Menorah consists of 9 candles, one of which is referred to as the shamash (assistant) that is used to light the other 8 candles. Each night of Hanukkah, another candle is lit, until all 8 are lit on the final night of Hanukkah. Traditional songs and special blessings are said each night along with the lighting of the Menorah. Additional prayers may be added each day.

### What are some other distinguishing aspects of Hanukkah?

- Foods cooked in oil are typically eaten due to the importance of olive oil in the creation of Hanukkah. This includes foods like latkes (potato cakes) and sufganya (donuts)
- Dreidel is a popular traditional Hanukkah game. Players spin a 4-sided top that has the Hebrew letters nun, gimel, hei, and shin, which means "a great miracle happened there".
- Rather than giving gifts, traditionally Chanukah gelt is given to children as a reward for positive behavior and dedication to the Torah. Children also have the opportunity to give their gelt to charity.

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Interested? Start taking these steps **now**.

1. Talk to your advisor and campus residence life office about your school's ability to host - you must get host school support to move forward with bidding
2. Email Cassie Govert, the Regional Director, at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) and Christina Aichele, the NACURH Conference Resource Consultant, at [crc@nacurh.org](mailto:crc@nacurh.org) to start getting assistance from GLACURH and NACURH in the bidding process. We can offer guidance on obtaining host school support, navigating space issues, and making recommendations for consideration when creating your bid

### **What do I have to do to bid?**

First and foremost - submit a bid intent [here](#) before February 1! Bid intents allow the RBD to plan accordingly for the conference and help you through the bidding process. After you put in the bid intent, make sure you're ready to write your bid by checking out GLACURH's resources like checklists and a bid writing guide [here](#).

Once your bid is prepared, send it over to [gl\\_bids@nacurh.org](mailto:gl_bids@nacurh.org) no later than February 15. The RBD will reach out and let you know if you need to make any updates to align your bid with the governing documents.

Finally - if you're bidding for a position or conference, Cassie, the Regional Director, will reach out to you prior to the conference to provide you with information about presenting at the conference and how elections will run.

### **Why should I bid?**

Bidding is an excellent way to recognize the hardworking student leaders on your campus, and

If you're considering a positional bid - you should bid because you have the skills to serve this region. Often, we need a nudge to truly believe we're capable of serving in a new role, and we hope this is that nudge. Serving on the RBD can be challenging, but it's what keeps GLACURH going, and we hope you'll consider running for the Regional Board of Directors!

And finally, you should bid to host a conference because it's the physical space that reminds us all why we decided on the path of student leadership. It's the home we travel to just a couple times a year. And all those moments are so valuable. We hope you'll consider creating those moments at Regional Business Conference 2020.

### What if I have questions?

As always, Rachael, our Coordinating Officer for Recognition & Service, is here to help you out! Send her an email at [gl\\_recognition@nacurh.org](mailto:gl_recognition@nacurh.org) to get connected with resources.

Let's make this GLACURH's best bidding cycle yet!

GLACURH Update | January 1, 2019

[View this email in your browser](#)

Hey GLACURH!

First and foremost, happy new year. It's always bittersweet to reflect on the memories of last year and look forward to the opportunities that lie ahead for the next year. We're grateful and excited to still have you all with us, and we're pumped to announce that a new year means open conference registration!

Check out the details on registration timeline and maximum delegate costs for RBC below, as well as information about the bidding process for RBC.

We want to reiterate the dates of Regional Business Conference 2019. RBC will be held **March 15-17, 2019**. These dates are **different than in the initial bid**, to avoid holding our conference during NASPA and TPE, two major student affairs conferences that may provide barriers to advisors participating in RBC. Please make sure you're planning for **March 15-17, 2019**, and referencing the conference page of our website rather than the RBC bid. Thank you!

We're looking for a Regional Business Conference 2020 host. Check out our regional conference hosting interest form to get connected with conference hosting resources.

Thanks, celebration! As always, reach out to [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org) with any and all questions you may have.

Peace, love, polar bears,

Cassie Govert  
Great Lakes Regional Director

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

If you're considering a positional bid - you should bid because you have the skills to serve this region. Often, we need a nudge to truly believe we're capable of serving in a new role, and we hope this is that nudge. Serving on the RBD can be challenging, but it's what keeps GLACURH going, and we hope you'll consider running for the Regional Board of Directors!

And finally, you should bid to host a conference because it's the physical space that reminds us all why we decided on the path of student leadership. It's the home we travel to just a couple times a year. And all those moments are so valuable. We hope you'll consider creating those moments at Regional Business Conference 2020.

# GLACORT CELEBRATES

## Dr. Martin Luther King Day

Dr. Martin Luther King (1929-1968) was an activist most prominently known for his work with racial justice, however he worked for a variety of causes throughout his life. Dr. King is often credited as being the most visible and prominent figure during the Civil Rights Movement who had an incredible influence on ending legal segregation, and pushing for pivotal legislation like the Civil Rights Act of 1964 and the Voting Rights Act of 1965.

Dr. King was also the leader of the Southern Christian Leadership Conference (SCLC), an African American civil rights organization whose beginnings started with the Montgomery Bus Boycott. People often regard MLK for his ability to move people with his words, including the [I Have a Dream](#) speech and [Letter from a Birmingham Jail](#).

On April 4, 1968, Dr. King was assassinated at the Lorraine Motel in Tennessee by James Earl Ray. His assassination sparked protests in over 100 cities across the United States. Dr. King's life was taken at the young age of 39, but he's remembered for the enormous impact he had.

While it may be easy to let MLK Day pass with a post of a quote from Dr. King's speeches, we shouldn't stop there. Even a great community service event or dinner in celebration of MLK Day can't stop there. We must think critically about the root of issues we face in our communities, just as Dr. King did. We must consider our place in justice. We must remember that while Dr. King was alive and doing work for justice, he was consistently criticized for his methods, and think about how that aligns with the activism we see in the world today. And we must think about how our positions as student leaders on campus put us in a position to be impactful and have a voice as strong as Dr. King.

### What bid categories are available for the Regional Business Conference?

- Positions:

  - Coordinating Officer for Relations & Inclusion
  - Coordinating Officer for Recognition & Service

- First Year Experience Award
- Student Staff Member of the Year
- Conferences:

**What do I have to do to bid?**

First and foremost - submit a bid intent [here](#) before February 1! Bid intents allow the RBD to plan accordingly for the conference and help you through the bidding process. After you put in the bid intent, make sure you're ready to write your bid by checking out GLACURH's resources like checklists and a bid writing guide [here](#).

Once your bid is prepared, send it over to [gl\\_bids@nacurh.org](mailto:gl_bids@nacurh.org) no later than February 15. The RBD will reach out and let you know if you need to make any updates to align your bid with the governing documents.

Finally - if you're bidding for a position or conference, Cassie, the Regional Director, will reach out to you prior to the conference to provide you with information about presenting at the conference and how elections will run.

**Why should I bid?**

Bidding is an excellent way to recognize the hardworking student leaders on your campus, and show the region (and possibly all of NACURH!) the great things happening on your campus. Bids can be a time-consuming process, but they're an important part of sharing the work we do.

If you're considering a positional bid - you should bid because you have the skills to serve this region. Often, we need a nudge to truly believe we're capable of serving in a new role, and we hope this is that nudge. Serving on the RBD can be challenging, but it's what keeps GLACURH going, and we hope you'll consider running for the Regional Board of Directors!

And finally, you should bid to host a conference because it's the physical space that reminds us all why we decided on the path of student leadership. It's the home we travel to just a couple times a year. And all those moments are so valuable. We hope you'll consider creating those moments at Regional Business Conference 2020.

**What if I have questions?**

As always, Rachael, our Coordinating Officer for Recognition & Service, is here to help you out! Send her an email at [gl\\_recognition@nacurh.org](mailto:gl_recognition@nacurh.org) to get connected with resources.

Let's make this GLACURH's best bidding cycle yet!

The Regional Board of Directors has decided it would be important to hold this virtual conference this year to conduct confirmations for our new 2019-2020 RBD members and finish up legislation we weren't able to get to at either of our regional conferences this year.

The Virtual Business Conference will be held on Zoom Sunday May 5, and we ask that you log on at 3:45pm ET/2:45pm CT so we can conduct roll call before getting down to business. We ask that you have someone from your institution there until 6pm ET/5pm CT, while we may be able to end earlier. The Virtual Business Conference is an opportunity free of cost, you simply need a computer with webcam abilities to join in with us.

Please register for the Virtual Business Conference [here](#) by April 26. This is pertinent so we know how many people to expect and can get a larger Zoom room if necessary. Only one representative from each institution is necessary, however we welcome you to invite others from your institution as well.

\* Wait, what's the heck does "Geaux" mean?? It is just a fun way to spell the word "go." When you come to Louisiana, you'll notice that we'll replace the long "o" sound in any word with the French suffix "-eaux," which is pronounced the same way, since so many Cajun surnames end with "-eaux." It's just a fun thing we do down here to reflect our state's French and Cajun heritage!

Peace, love, polar bears,

GLACURH Regional Board of Directors

Hey GLACURH!

At Regional Leadership Conference 2018, the region affirmed a piece of legislation that puts a Virtual Business Conference in policy. The Regional Board of Directors has decided it would be important to hold this virtual conference this year to conduct confirmations for our new 2019-2020 RBD members and finish up legislation we weren't able to get to at either of our regional conferences this year.

The Virtual Business Conference will be held on Zoom Sunday May 5, and we ask that you log on at 3:45pm ET/2:45pm CT so we can conduct roll call before getting down to business. We ask that you have someone from your institution there until 6pm ET/5pm CT, while we may be able to end earlier. The Virtual Business Conference is an opportunity free of cost, you simply need a computer with webcam abilities to join in with us.

Please register for the Virtual Business Conference [here](#) by April 26. This is pertinent so we know how many people to expect and can get a larger Zoom room if necessary. Only one representative from each institution is necessary, however we welcome you to invite others from your institution as well.

Questions about the Virtual Business Conference? Please email Regional Director Cassie Govert at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org).

We're excited to see you May 5!

- Also, keep in mind that everyone attending the conference needs to have clear bags in order to participate in our events that are held in our athletics facilities, due to SEC Guidelines. You can find more on the clear bag policy here <http://www.lsusports.net/ViewArticle.dbml?ATCLID=211063998>

\* Wait, what's the heck does "Geaux" mean?? It is just a fun way to spell the word "go." When you come to Louisiana, you'll notice that we'll replace the long "o" sound in any word with the French suffix "-eaux," which is pronounced the same way, since so many Cajun surnames end with "-eaux." It's just a fun thing we do down here to reflect our state's French and Cajun heritage!

- Hey Advisors!

Thank you for registering for NACURH 2019! There was supposed to be a question on our registration form asking whether or not you wanted to request to stay in a single room for the conference. That question did not appear on most registration forms, so we're asking you now! If you would like to request a single room, for a new conference cost of \$318, please email [conf\\_registration@nacurh.org](mailto:conf_registration@nacurh.org) to request one. If you would like to remain in a double room, you can disregard this message.

If you have any questions, we have a Frequently Asked Question page on our website! I can't wait to see y'all here for the conference soon!

### **CLEAR BAG POLICY UPDATE**

We want to thank NACURH, it's regional affiliates, and member schools for working with us on LSU's clear plastic bag policy for athletic spaces. On Wednesday, 4/24, during a meeting with athletics staff, the athletic department shared that we would not need to enforce a clear plastic bag policy, as the policy is not ready to be in full effect for all events in these spaces. As this is a major cost savings for the conference - and by association delegates - we have elected to forgo requiring clear plastic bags for athletics spaces.

We recognize that several regions have been making plans to potentially acquire clear plastic bags as part of spirit packs. We thank you for your efforts to assist your member schools in having supplies needed for this conference. Recognizing that clear plastic bags are still an ever increasing trend in large event spaces on college campuses and in the community, we hope that if any clear plastic bags were acquired, they can be put to good use in other settings - and to show off regional & NACURH pride.

Safety is of the utmost importance for guests to LSU's campus, and we will continue working to make this conference a fun & safe experience for all involved. This includes working with campus police, providing clear signage for walking paths, and encouraging guests to download the LSU Shield app for immediate assistance.

Should you have any further questions about safety while at NACURH, please do not hesitate to ask!

Hey GLACURH!

We're looking forward to seeing you in just 30 minutes for the annual virtual business conference. We genuinely hope you take advantage of the opportunity to engage in business beyond the expense of a conference. Every one of our registered institutions are an integral part of GLACURH's success as a region. We must meet quorum (50% of affiliated schools within GLACURH) to vote on any business - and currently it looks as though we will not meet quorum. We just need one representative from your institution to attend and hear business that is critical to us as a region.

We will see you in 30 minutes.

#### **CLEAR BAG POLICY UPDATE**

We want to thank NACURH, it's regional affiliates, and member schools for working with us on LSU's clear plastic bag policy for athletic spaces. On Wednesday, 4/24, during a meeting with athletics staff, the athletic department shared that we would not need to enforce a clear plastic bag policy, as the policy is not ready to be in full effect for all events in these spaces. As this is a major cost savings for the conference - and by association delegates - we have elected to forgo requiring clear plastic bags for athletics spaces.

We recognize that several regions have been making plans to potentially acquire clear plastic bags as part of spirit packs. We thank you for your efforts to assist your member schools in having supplies needed for this conference. Recognizing that clear plastic bags are still an ever increasing trend in large event spaces on college campuses and in the community, we hope that if any clear plastic bags were acquired, they can be put to good use in other settings - and to show off regional & NACURH pride.

conference a fun & safe experience for all involved. This includes working with campus police, providing clear signage for walking paths, and encouraging guests to download the LSU Shield app for immediate assistance.

Should you have any further questions about safety while at NACURH, please do not hesitate to ask!

\* Wait, what's the heck does "Geaux" mean?? It is just a fun way to spell the word "go." When you come to Louisiana, you'll notice that we'll replace the long "o" sound in any word with the French suffix "-eaux," which is pronounced the same way, since so many Cajun surnames end with "-eaux." It's just a fun thing we do down here to reflect our state's French and Cajun heritage!

### What bid categories are available for the Regional Business Conference?

- Positions:
  - Regional Director

  - Coordinating Officer for Marketing
  - Coordinating Officer for Relations & Inclusion
  - Coordinating Officer for Recognition & Service

After you put in the bid intent, make sure you're ready to write your bid by checking out GLACURH's resources like checklists and a bid writing guide [here](#).

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Finally - if you're bidding for a position or conference, Cassie, the Regional Director, will reach out to you prior to the conference to provide you with information about presenting at the conference and how elections will run.

### Why should I bid?

Bidding is an excellent way to recognize the hardworking student leaders on your campus, and show the region (and possibly all of NACURH!) the great things happening on your campus. Bids can be a time-consuming process, but they're an important part of sharing the work we do.

If you're considering a positional bid - you should bid because you have the skills to serve this region. Often, we need a nudge to truly believe we're capable of serving in a new role, and we hope this is that nudge. Serving on the RBD can be challenging, but it's what keeps GLACURH going, and we hope you'll consider running for the Regional Board of Directors!

And finally, you should bid to host a conference because it's the physical space that reminds us all why we decided on the path of student leadership. It's the home we travel to just a couple times a year. And all those moments are so valuable. We hope you'll consider creating those moments at Regional Business Conference 2020.

### What if I have questions?

As always, Rachael, our Coordinating Officer for Recognition & Service, is here to help you out! Send her an email at [gl\\_recognition@nacurh.org](mailto:gl_recognition@nacurh.org) to get connected with resources.

Let's make this GLACURH's best bidding cycle yet!

## Where to Arrive, Waivers, and a Note on Food

### Arrival Location

Please route to Wadsworth Hall, 1701 Townsend Dr. Houghton, MI 49931. All members of your delegation are welcome into Wadsworth for the check-in process, so feel free to park, grab a snack courtesy of Michigan Tech, and get ready to check in! Please make sure to bring your payment method with you to check-in and verify your delegation's waivers are completed.

### Waivers

Every delegate, including advisors, need to fill out a general conference waiver to attend RBC. Anyone who opted into gender inclusive housing will need to fill out a waiver, and any delegation planning to leave the conference early must fill out a waiver as well.

Find all the conference waivers on the conference website [here](#) under the registration tab.

### Note on Food

Dinner on Friday night is not provided by the conference. This is typical of regional conferences, however we want to make a special note on this so that delegations ensure they're leaving enough time to eat before business starts at 7pm ET on Friday night. Thank you for your diligence!

Hey GLACURH! Have you dedicated 4 years of service to your hall council, RHA, NRHH, GLACURH, and NACURH? Attended more than 4 NACURH-affiliated conferences? Apply for a GLACURH 4 Year Service Pin! If you'd like to receive your pin at Regional Business Conference 2019, please fill out [this application](#) no later than March 13 at 11:59 PM EST/10:59 PM CST.

Your application does need to be verified by your institution's NCC or NRHH-CC and advisor, which also needs to be complete by the deadline. It is the applicant's responsibility to ensure all required signatures are acquired before March 13.

Questions? Email Regional Director Cassie Govert at [gl\\_director@nacurh.org](mailto:gl_director@nacurh.org). This application will re-open for the NACURH annual conference, if you'll need to wait until then to achieve all your requirements or would prefer to receive your pin then.

Great Lakes Affiliate of College and University Residence Halls  
NRHH Update | January 26, 2019

[View this email in your browser](#)

Hey GLACURH Diamonds!

I'm sure you're noticing this is different than the usual MOWII Mondays, Regional Updates, and CC Updates. This year we've transitioned our mailing list sign up processes because our old system of Google Groups didn't allow us to easily get new signups onto our Mailchimp account and make sure everyone who signed up received emails. So, now that we're entirely on Mailchimp, we're able to make more specific lists for groups of individuals in our region. If you're receiving this NRHH update, you either served as an NRHH-CC at RLC or you signed up on our form as an NRHH member.

If you have other people in your chapter or an advisor interested in receiving NRHH specific updates from GLACURH, have them sign up for our mailing lists [here](#) and check "NRHH Member/Leadership" when signing up to get added.

In the meantime, enjoy some updates specifically for the honorary, and let us know if you have any questions!

Peace, love, polar bears,

GLACURH Regional Board of Directors

# APPENDIX B

## LEGISLATION & OUTCOMES

**Main Motion - A | RBC Conference Loan**

**OUTCOME: 45-0-0, MOTION CARRIES**

**Whereas**, institutions who are hosting a regional leadership are eligible to receive a \$500 USD conference loan; and,

**Whereas**, institutions who are hosting a regional business conference are not currently eligible for any kind of loan money from the region; and,

**Whereas**, if an institution who is hosting a regional business conference is working on a condensed timeline, they may need the funding provided by the loan; and,

**Whereas**, the difference in eligibility creates an inequity between the two conference types; and,

**Therefore let it be resolved**, that Title 8, Article XVI, Section 3, Subsection V, be created to read, "An institution that has been selected to host a Regional Business Conference may take a \$250.00 USD loan from the region to be paid back to the region in full on the day that their conference opens."; and,

**Therefore let it further be resolved**, that the FY 19 Budget line items "Conference Fees: General and Host School Loan" from the Revenues section and "Conference Expenses: Host School Loan" from the Expenses section be increased by \$250.00 USD to accommodate this change.

Section 3	Finances
	<b>V. An institution that has been selected to host a Regional Business Conference may take a \$250.00 USD loan from the region to be paid back to the region in full on the day that their conference opens.</b>

REVENUES	FY 2019 Budgeted	Changes Approved	FY 2019 Expected	FY 2019 Actual
General and Host School Loan	\$500.00	\$250.00	\$750.00	\$0.00

EXPENSES	FY 2019 Budgeted	Changes Approved	FY 2019 Expected	FY 2019 Actual
Host School Loan	\$500.00	\$250.00	\$750.00	\$0.00

Respectfully Submitted,  
*Alice Dahlka, Associate Director for Administration and Finance*

**Whereas,** budgets for fiscal years are created using historical data; and,

**Whereas,** it is almost entirely impossible to predict all of the expenses that can occur within a fiscal year; and,

**Whereas,** the Great Lakes has had to purchase several unanticipated items in line items where no funds had originally been allocated; and,

**Whereas,** the Great Lakes currently has funding in line items that would otherwise go unused for the remainder of the fiscal year; and,

**Whereas,** the Great Lakes should be using as much budgeted money as possible during the fiscal year since unused funds do not roll over from fiscal year to fiscal year and unused funds are not retained by the region; and,

**Therefore let it be resolved,** that excess funds from the following line items be removed; and,

\$70.00 USD from Conference Registration: GLACUHO  
\$152.00 USD from Conference Registration: NACURH  
\$250.00 USD from Inventory: General  
\$250.00 USD from Inventory: Regional Apparel  
\$100.00 USD from Inventory: Regional NRHH Pins  
\$300.00 USD from Professional Fees  
\$150.00 USD from Shipping  
\$100.00 USD from Supplies: NACURH  
\$64.00 USD from Transfers Out: NCO: NCC Pins  
\$36.00 USD from Transfers Out: NCO: RBD Pins  
\$200.00 USD from Transfers Out: NCO: NRHH Recognition Pins  
\$570.00 USD from Travel: GLACUHO/UMR-ACUHO  
\$250.00 USD from Travel: Discretionary  
\$428.18 USD from Travel: NACURH  
\$170.55 USD from Travel: Transition Retreat  
\$9.82 USD from Travel: Fall Retreat  
\$20.72 USD from Travel: Fall Site Visit

Total: \$3,121.27 USD

**Therefore let it further be resolved,** that additional funds be allocated to the following line items.

\$100.00 USD to Meals & Entertainment  
\$100.00 USD to Printing  
\$100.00 USD to Recognition: NACURH/Regional Leadership Conference/Regional Business Conference  
\$100.00 USD to Recognition: Advisor Recognition  
\$454.00 USD to Subscriptions  
\$700.00 USD to Travel: RBC Site Visit  
\$1,500.00 USD to Travel: RBC

Total: \$3,054.00 USD

**Main Motion - B | Redistributing Funds**

**OUTCOME: 45-0-0, MOTION CARRIES**

**Therefore let it finally be resolved,** that the remaining \$67.27 revert back to the general fund for future allocations.

Respectfully Submitted,  
*Alice Dahlka, Associate Director for Administration and Finance*

**Main Motion-C | Award Bid Selection Committee  
Requirements**

**OUTCOME: 37-7-1, MOTION CARRIES**

**Whereas,** GLACURH used to have Regional Communications Coordinators who directly oversaw relationships between GLACURH and their respective state or province; and,

**Whereas,** to ensure each state or province was represented in regional decision making, it was written into policy that award bids selected via a committee are required to have at least one member from each state or province in order to select a bid; and,

**Whereas,** this current committee structure neither reflects current regional structure nor current practice and can inhibit the region from effective decision-making; and,

**Therefore let it be resolved,** that all award bids whose winners are selected by a committee that must have a minimum of one representative from each state or province within the region be amended to say the following, "The recipient of this award bid shall be decided upon by a committee whose membership shall be made available to all representatives within the region via an application process that is decided by the committee's chair."

**Therefore let it further be resolved that,** the committee be comprised of a minimum of 5 voting members, striving to represent each state/province when possible. In the event that 5 applications are not received, the minimum shall be modified to reflect the number of eligible applications received at the discretion of the RBD.

Respectfully Submitted,

*Alice Dahlka, Associate Director for Administration and Finance*

*Rachael Switzer, Coordinating Officer for Recognition and Service*

**Main Motion - D | State/Province Involvement  
Requirement**

**OUTCOME: 27-0-0, MOTION CARRIES**

**Whereas,** GLACURH used to have Regional Communications Coordinators who directly oversaw relationships between GLACURH and their respective state or province; and,

**Whereas,** NACURH does not recognize sub-regional affiliates (i.e. WURHA); and,

**Whereas,** it does not make sense to require bid writers to include an individual's involvement with their state or province's in an award bid at the regional or NACURH-level since NACURH and its regional affiliates are entirely separate from sub-regional affiliates; and,

**Therefore let it be resolved,** that all award bids whose selection criteria includes mentioning an individual's state or province-level involvement have that criteria removed.

Respectfully Submitted,

*Alice Dahlka, Associate Director for Administration and Finance*

*Rachael Switzer, Coordinating Officer for Recognition and Service*

**Main Motion E | Annual Virtual Conference**

**OUTCOME: CONSENT, MOTION CARRIES**

**Whereas,** GLACURH has been a region that historically under utilizes virtual resources like Zoom for accomplishing business, and;

**Whereas,** the membership of GLACURH have expressed that more time to have discussions, developmental activities, and conference educational sessions would be preferable over hearing legislation at conferences, and;

**Whereas,** between Regional Leadership Conference and Regional Business Conference, and Regional Business Conference and the NACURH annual conference, it's difficult to accomplish regional business without impeding on developmental time or time intended for bonding and fun, and;

**Whereas,** member schools who are financially unable to participate in conferences often don't get to participate in regional decision-making and could benefit from an emphasis on regional virtual business, and;

**Whereas,** striking a balance between using virtual business meetings too frequently, which could cause burn out, and not using virtual business meetings, is important to maintaining engagement with regional members, then;

**Therefore let it be resolved,** that GLACURH establish an Annual Virtual Conference to be held between the Regional Leadership Conference and the Regional Business Conference in each given affiliation year, solely for hearing legislation and providing a virtual meeting opportunity for Communications Coordinators, and;

**Therefore let it further be resolved,** that the inaugural Annual Virtual Conference begin this affiliation year, between the close of Regional Leadership Conference 2018, and the beginning of the NACURH annual conference, and;

**OUTCOME: CONSENT, MOTION CARRIES**

**Whereas**, the current GLACURH OTM Traveling Trophy Award scoring system recognizes quantity over quality of Of The Months (OTMs) submitted on the campus level; and,

**Whereas,** there is currently no established procedure for selecting regional retreat sites; and,

**Whereas,** outlining this process in the GLACURH Governing Documents will provide clarity and direction for future RBD members; and,

**Whereas,** responsibility for hosting the RBD for regional retreats has traditionally fallen to the institution which is hosting a regional conference in the same semester; and,

**Whereas,** many affiliated universities may not have the facilities or resources to host a conference, but would be able to host the RBD for retreats successfully; and,

**Whereas,** allowing schools to apply for the opportunity to host a regional retreat allows more intuitions to engage with and support GLACURH.

**Therefore let it be resolved,** that Article XX be added to Title 8 as follows:

<b>Article XX</b>	<b><u>Regional Leadership Retreats</u></b>
	<p><b><u>Section 1:</u></b></p> <ul style="list-style-type: none"><li><b><u>A. ## IMPORTANT INFORMATION: BANK DEPOSIT ACCOUNTS

**How to Contact Us** - You may call us at the telephone number listed on the front of this statement.

**Updating your contact information** - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

**Deposit agreement** - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

**Electronic transfers: In case of errors or questions about your electronic transfers** - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

**Reporting other problems** - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.

**Direct deposits** - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us to find out if the deposit was made as scheduled. You may also review your activity online or visit a financial center for information.
